Name Your Sport will be available for filming full games and highlighting individual players at the College Search Kickoff soccer showcase. We are proud and extremely excited to be a part of this prestigious event. We provide what we feel is the best college recruiting tool available for those high school athletes who want to play at the collegiate level. Some of you have seen our crew at other prestigious soccer events along the East coast. We will be offering full game packages and also our regular two and three game highlight packages that focus directly on a particular player. Small profiles are also included in the highlight packages along with actual game footage with no editing.

Please visit our website at www.nameyoursport.com or call us with any questions or special requests at 1-800-556-4164. We urge you to take advantage of this opportunity. Many of the college coaches know us and many will request a video from you. There are thousands of players wishing to play at the collegiate level. **You** can have the edge.

TEAM DISCOUNT HIGHLIGHT PACKAGES ARE AVAILABLE. The Name Your Sport crew looks forward to filming in Iowa and we hope to see you there.
